Job Vacancy

We are looking for a well presented, motivated and organised individual to join our team in this family run bakery. This position requires preparation of food, serving customers, operating the till, keeping a clean and tidy working environment. The candidate would need to have a full clean driving license to undertake any deliveries. If you have excellent customer service skills and can work in a fast-paced environment maintaining organisational skills and working well within the team, we would be interested to hear from you.

The individual would need to be flexible to work additional hours to cover annual leave or sickness periods within the team.

Part Time Position: Monday, Wednesday & Saturday

Hours: 8am - 4.30pm

Salary: £8.21 ph

To apply please send your cv to sarah@chacewaterbakery.co.uk.

"WHAT'S ON IN CHACEWATER" & CORONAVIRUS

In April "What's On in Chacewater" is to be published and circulated as normal. From then on it depends on the current circumstances. But note, if you have access to the internet, you can catch up with the news and adverts online by using the Chacewater Parish Council's website: www.chacewater.net.

To advertisers:- if I am unable to provide printed copies of the magazine for future editions I will extend the period of time that your ad is paid for when things return to normal.

Meanwhile, my thanks to my printer, to all the contributors who have been sending me their plans, to the outlets who continue to have copies available to collect and to my grandchildren who are invaluable in helping me to distribute the magazine around the parish.

APPOINTMENT MANAGEMENT DUE TO COVID-19 (CORONA VIRUS)

Please do not attend or phone the surgery if you have a new persistent cough or a fever. Please visit the NHS 111 advice page for up-to-date guidance for all patients with these symptoms and also for those who have been in direct contact with someone with these symptoms.

All non-essential routine appointments at the surgery will be postponed until a later date.

All requests for an appointment or home visit will require initial telephone screening and a call back from one of our medical team. This is called triage and to try and protect both patients and staff from any likelihood of cross infection. Your patience and understanding with these processes is greatly appreciated.

COVID 19 - We want to help and protect you!

**Are you over 70 or of ill health?
We have a community project in place to help you get your essential groceries and prescriptions.**

Chacewater Parish Council is working on an Emergency Operational Plan to help vulnerable residents during the Corona Virus Outbreak.

We would like to understand who we can help in the community with the forthcoming requests from the government for self-isolation with small tasks such as, collection of small items, posting letters, picking up prescriptions, essential shopping etc.

If you are over 70, or are unwell and concerned about leaving the house we are here to help.

Please contact Christina Martin at the Parish Office on 01872 561 387 or by email parish.clerk@chacewater.org or Steve Leech on 01872 560288 and they will put you in touch with a volunteer in your area.

Chacewater Bakery

Retail & Wholesale Bakery 01872 561411

At Chacewater Bakery we pride ourselves on our fantastic range of traditional baking. Our opening hours are 8am – 4pm Monday to Saturday.

Event Catering

We cater for all events with delivery service in the evenings and weekends. Morning goods for your breakfast meetings, buffet lunches & pasty suppers. All dietary requirements can be catered for.

Cream Teas

Retail & wholesale scones for all your requirements. Baked fresh to order. Butter, fruit or cheese scones available. Call to order or email enquiries@chacewaterbakery.co.uk.

Pasty Promotion!

12 for the price of 10 on all frozen pasty orders! Freshly made daily so make sure you order so we have them ready to go. Pasties – gluten free ingredients available to order.

Follow us on Facebook to hear about all our news and promotions.

CHACEWATER & DEVORAN SURGERIES

Dr Bolton's Retirement

Please note that the planned retirement event for Dr Bolton on Saturday, 9th May has been cancelled due to the current issues with the CoronaVirus. We hope to reschedule later in the year.

As many of you will already know, Dr. Russell Bolton will be retiring at the end of April 2020 following more than 31 years as a GP of Chacewater and Devoran Surgeries.

So that patients may pass on their best wishes we have placed a notebook at each surgery for messages to Dr Bolton. Please feel free to send a separate card or letter if you wish.

Dr Bolton has requested no gifts please but there will be an opportunity to make a donation towards Dementia charities if you wish

ACCOUSTIC MUSIC SESSIONS AT THE KING'S HEAD

The Acoustic Music sessions at the King's Head will be suspended for the time being. We deeply regret having to make this decision but it is the only responsible thing to do in the circumstances to safeguard people's health. We hope to be able to resume once the present restrictions on social gatherings are lifted & send our apologies to all concerned. I would like to send best wishes to everyone in the community & hope we all keep safe.

HELP PREVENT THE SPREAD OF CORONAVIRUS in Chacewater Parish

Follow NHS Guidelines: www.nhs.uk/coronavirus

DO:

- Wash your hands with soap and water often – do this for at least 20 seconds
- Always wash your hands when you get home or into work
- Use hand sanitiser gel or soap and water
- Cover your mouth and nose with a tissue or your sleeve {not your hands} when you cough or sneeze
- Put used tissues in the bin straight away. Wash your hands afterwards
- Try to avoid close contact with people who are unwell

DO NOT:

- Touch your eyes, nose or mouth if your hands are not clean

If You Are Worried or Need Medical Help?

- Do not go to the GP surgery, pharmacy or hospital. **Call 111**
NHS 111 has an online coronavirus service that can tell you if you need medical help.

In the Village:

- Be a good neighbour. Please be aware of anyone who may be on their own, unable to get out or who is self- isolating. Ask friends, neighbours, family members or delivery services to drop off food & other essential supplies and check in regularly with them to ensure they are ok.

We need YOU during the Corona Virus Outbreak!

Chacewater Parish Council is working on an Emergency Operational Plan to help vulnerable residents during the Corona Virus Outbreak

We are looking for Healthy volunteers willing to help with small tasks such as, collection of small items, posting letters, picking up prescriptions, essential shopping etc

If you are able to help please contact Christina Martin at the Parish Office on 01872 561 387 or by email parish.clerk@chacewater.org or [Steve Leech on 01872 560288](tel:01872560288)

If you are someone in isolation who needs help (or know someone who does), please also contact Christina Martin on the above telephone number / emails

AN OFFER OF HELP FROM CHACEWATER BAKERY

If you are a vulnerable person who has been advised to avoid social contact, we understand the difficulties in shopping and obtaining day to day goods. In support of our local community we would like to offer our help in assisting to deliver daily essentials. Please give us a call on 01872 561411 and we shall endeavour to help where we can.

CHACEWATER RIGHTS OF WAY (CRoW) WALK SUNDAY 1ST MARCH 2020

“Pinch punch first of the month, no backs!” The CRoW walk on Sunday the 1st March coincided – *as is fortunately usually the case* - with a nice break in the weather, which allowed the surrounding green and yellow countryside (mostly daffodils and gorse!) to be seen in all its wonderful glory. As many of our highly valued Public Rights of Way (PRoW) had suffered quite a bit from our “rainy season” we decided that this particular trek would take us along some of our minor roads and lanes as opposed to footpaths, bridleways, etc.

Hardly a vehicle in sight and just a few cyclists to say hello to, the route turned out to be something of a loop that, initially, took us down the Twelveheads Road for about half to threequarters of a mile before taking a right up past Rising Sun and Wheal Harmony Cottage. At this point we stopped a while to discuss a possible route for the Redruth to Chacewater railway which, so legend has it, may have run near somewhere alongside this road – there certainly seems to be something worth exploring here? Anyway, we soon came out at the junction opposite Hilltop Cottage and some wonderful views all around us, especially those looking down to the right and along the Poldice Valley. Noting the sign for Public Footpath 301/41/1, which may eventually be opened up to allow access to the Poldice, we took an immediate left along the road and headed on down towards Twelveheads itself.

Pausing on the road just above Twelveheads – a super view can be had from here.

Upon entering Twelveheads proper, everyone commented on what a lovely and peaceful place it is. We viewed the now completed and clearly well used Play Park (protected as it is by 4 wooden Deer on the far bank of the Carnon River!) and equally well used park bench rest area behind the bus shelter. Then we observed the new road markings warning of the many cyclists in the area, especially those coming off the Poldice Valley section of the Portreath to Devoran Mineral Tramway. Importantly, we also took note of the lovely hostelry that is 'Bon Appetit', which is always a welcome sight to any walker or cyclist to the area!

Time was against us and so we headed back to Chacewater along the Twelveheads Road once more, which offers a wealth of natural habitat for creatures of all sorts to forage.

Another pause taken as we headed back up towards Chacewater on the Twelveheads Road, just near Willow Bridge Cottage - a lovely sight no matter what time of year, but especially when the sun is up!

So, another cracking ramble for 12 hearty folk and 3 of our 4-legged friends. The next CRoW walking group will start from the Square car park at 9.30am, Sunday 5th April 2020. As always, all are very welcome and we go at the pace of the slowest participant.

CHACEWATER'S BOOK CLUB

Book Club is taking a break until the Coronavirus situation improves, so no meeting in April.

However, our next book will be "The Hundred-Year-Old Man Who Climbed Out of the Window and Disappeared." by Jonas Jonasson (2015).

So, enjoy reading and watch this space for dates when we re-start.

Happy Reading and see you soon.

Linda

HIGHWAYS ENGLAND DESIGNATED FUNDING SCHEMES

CHACEWATER PARISH

The What's On readership may recall an article in October 2019 that provided some initial information relating to Highways England funded schemes aimed at improving selected communities near to where the future A30 Dual Carriageway works between Carland Cross and Chiverton Cross will take place. Very much related to the key themes contained within our recently "made" Neighbourhood Development Plan (NDP), notably Road Safety, our Environment and Heritage, an update on each of the 3 schemes designated for Chacewater Parish are provided below:

The Carnhot County Wildlife Site (CWS). A wetland area just south of the A30 near Blackwater, the main Highways England contractor (Arup) are working closely with Cornwall Wildlife Trust, Tregothnan Estates (whose land it is) and other sub-contractors to maximise our appreciation and future (sensible) accessibility to this high value nature space. Plans have been drawn and work now commenced to clear significant sections of the approach to the site from the south, which will ultimately see the introduction of a walking route all the way to/from Chacewater village, running – more or less – parallel with the Carnon River. Probably the most advanced of the A30 Highways England Designated Fund projects for Chacewater, this one should be delivered at some point in 2020. As the key local stakeholder, your Parish Council is currently seeking advice on the future maintenance plan for the area and what might be needed to thwart any illegal off-road community from abusing this environmental area. Parishioners are encouraged to take a look at the works currently in train - without of course getting in the way!

Chacewater Village Streetscape. Many will have seen the notices (now removed for safekeeping and preservation!) attached to various sign posts/other installations between the 30 to 40mph zones at either end of the village. These were intended as a means through which to articulate what has been worked up by way of a plan to:

Address the congestion we often see through the village core;

P.T.O.

Reduce the volume and speed of traffic through the village, because Radarclass data (taken at the same period in the year over the past 8 years) has identified a doubling of vehicle movements over an 8-day period from 12K to well over 23K, both east and west;

Improve Road Safety, both for pedestrians and vehicle users;

Enhance access to Community Facilities and Amenities, either side of Fore and High Streets;

Encourage a more considerate approach to parking along Fore Street, High Street and at key junctions, especially given that over-night spaces are readily available in the main Square Car Park;

Gain a greater appreciation of the Heritage that exists within the village;

Comply with Cornwall Council's own Village Streetscape publications;

Representatives Members of Arup and Cornwall Council have worked with members of the Parish Council to get where we are today. 2 well attended Public Engagement events have been held, the first at the Old Market on 11th September and the second in the Village Hall on 21st November 2019, which gave the community a good opportunity to exchange their views. More recently, a walk through of the whole Streetscape Plan – as presented - was conducted, at which Arup and Cornwall Council fielded numerous questions.

The next phase of consultation will include comment from Cormac and so things are bound to change in some respects. However, in summary, this scheme (which may well start in the next Financial Year) will *hopefully* see much of the following introduced along the “commuter corridor” of Chacewater village:

Gateway entrances at each end of the village, near the existing 30 to 40 mph signs, including Rumble strips, narrowing or cobbling strips and ‘Welcome’ granite blocks.

A 20mph zone at the core of the village.

More judicious (we believe) use of double yellow lines at key nodes.

Cobbling at key road junctions at Church Hill, Station Rd and Sergeants Hill.

Widening of pavements on either side of Fore Street to enable pedestrians and those with accessibility concerns to move around the village more easily and safely.

No question about it, what is being considered through this Streetscape scheme is quite radical and to some it will be viewed as restricting, especially in terms of on street parking. However, this whole plan is designed for a future that will see a seismic change in how we all go about our day to day business. It will also help us to recover many aspects of life in a rural village that we value and wish to retain. Watch this space!

The Old Smithy Building, Wheal Busy. By now we had hoped to report on some significant works being undertaken to restore what is recognised by Historic England as the “single most important refurbishable structure across the whole of the West Devon and Cornwall Mining World Heritage Site (WHS)”. However, issues have arisen to do with the structural survey of the scantle slate roof and the signing of agreements between Highway England and Tregothnan Estates.

Cornwall Council (WHS) do remain hopeful that the required funds can be secured from the A30 Highways England Designated Funds over the next year (referred to as RIS2 project 'pot' monies) but the project's future – and hopeful success - relies ultimately on Tregothnan Estate and Highways England reaching the necessary agreements, with the contractor ARUP acting as intermediary.

The main concern with such a delay is of course that the longer the negotiations persist, the less stable this vital heritage building will become, so fingers crossed things work themselves through!

COUNCILLOR VACANCY

Chacewater Parish Council is looking to co-opt a new member to serve on Chacewater Parish Council. The position is unpaid, but can be very rewarding to any parishioner who is interested in local affairs and wants to become involved in the decision-making process and in making a difference within their community.

To qualify, you must satisfy at least one of the following qualification categories:-

- (a) be registered as a local government elector for the parish;
- (b) have, during the whole of the preceding twelve months, occupied as owner or tenant, any land or premises in the parish;
- (c) your principal or only place of work during the preceding twelve months has been in the parish;
- (d) have, during the whole of the preceding twelve months, resided in the parish or within 4.8 km thereof.

Expressions of interest must be made in writing (by email or post) to the Clerk by Monday 20th April 2020

CHACEWATER & DEVORAN SURGERIES

NEW COMPUTER SYSTEM

We will be changing our patient record computer system at the practice in May 2020. The new system, called SystemOne, will bring exciting benefits to patients, such as the ability to use the NHS App, improved communication and on line access. It will also support our efficiency within the practice. During the transition we do expect a little disruption but will endeavour to keep this to a minimum.

During the weeks of 4th and 11th of May we will not be booking any routine appointments. Please be assured that any patient who needs to be seen by a GP will be seen during this time, however, you may not always be able to see the doctor of your choice.

If you wish to apply for online access to your records, please be aware that any request will not be able to be processed until after the change-over. Any patients who already have access to the online system will need to be re-registered so please bear with us whilst this is sorted.

We would like to apologise in advance for any inconvenience this may cause, but are confident that this change will benefit all in the long run.

A LETTER FROM CLLR. JOHN DYER

Dear Editor

I wish to make it publicly known that whilst I am the local Cornwall Council member for the whole of the Langarth Development I have always "declared an interest" at all Council meetings which have discussed the Penventinnie Farm land and TMS Young Farmers Club Hall site because of the following facts

- a) I have lived all my life in the valley underneath the Royal Cornwall Hospital at Treliske and consequently been close friends and neighbours of the family who own Penventinnie Farm. In 1986, by auction, the family sold the farmhouse which we purchased, and my family have lived there for the past 33 years.
- b) I am one of four Holding Trustees of Threemilestone and District Young Farmers Club and collectively we have lent the Club enough money for the club to purchase and secure the land on which the hall sits. (on the A390 you will see a poster by the Club Hall showing how they are earnestly raising the money to pay back to the loan)

Cornwall Council have now named this whole Development as The Langarth Garden Village, but it is made up of several different landowners and developers: - i.e. Maiden Green; Willow Green; Penventinnie Farm; East Langarth; West Langarth; making this a 2 mile ribbon development if it is named accurately from Penstraze to Treliske. The Secretariat at County Hall have now told me that I am not permitted to speak at any future debate / meetings about the Langarth Garden Village.

I am disappointed about this as I know the geography of the area so well and the issues that will arise unless the infrastructure is sorted out, so I am not able to represent the people who live in the area that will be greatly affected. I have many questions that need to be addressed before the first turf is dug:

1. The A390 road is not coping with the traffic that is has on it today, let alone if building takes place that creates a town the size of Liskeard. Whilst a northern relief road they tell me is

planned it will be through a housing estate, along a geographical ridge which most of this winter has been almost continuously wet and windy, this will put off all but the most dedicated walkers and cyclists. It will have a 20mph restriction and come out at the hospital. County Hall by the helicopter landing pad but that in turn is needing to be moved by orders of the Civilian Aviation Authority because of its proximity to the road.

2. There is much talk of a "Garden" village development, but on a north facing windward slope is this realistic?
3. There have been no dates given by South West water as to the start let alone the completion of the foul drainage system which has to be in the region of four and half miles (from West Langarth to Calenick) before any properties can be occupied.
4. Equally worrying is the surface drainage water, there has been talk of a series of drainage pits, but my questions to that is: when these are full... what then? in light of climate changes.
5. How quickly does this water get into the River Kenwyn? Before the Newmills flood protection Dam was built, the whole valley was surveyed as an agricultural valley, so if this new town is built there will be much land given over for roofs, paths, driveways and roads from which rain water will shoot off quickly. So, my next question is -can the Flood Protection Dam at Newmills still work with the significant change up or down stream. Boats in Victoria Square, Truro with a high spring tide and the River Kenwyn in flood has been seen before but we do not want to see it again.

I will continue to ask questions and monitor the situation very closely, but the public need to understand the reason that I cannot address these concerns within the council chamber

John Dyer MBE
Cornwall Council Member for Chacewater, Baldhu and Kenwyn

TO THE CHURCHES AND COMMUNITIES OF THE 8 SAINTS CLUSTER

My name is The Rev'd. John Eatock, and I have been appointed Pastoral Consultant for the churches within the cluster – Stithians, Gwennap, St. Day, Carharrack, Chacewater, Feock, Perran-ar-Worthal and Devoran, following the departure of the Rev'd. Simon Bone and the Rev'd. Karen Hunter-Jones last year.

The churches are now in a time of "Transition" as deliberations and consultations take place, looking at the future of the parishes and cluster.

Services continue to take place, as normal, at all the churches, with clergy and others volunteering to help out as much as possible. The Rev'd. Richard Wallis, Assistant Curate, is still here, but cannot possibly do everything. It is not his responsibility, as his focus must be on his training.

In my role as Pastoral Consultant I have listened to many of the church folk, who have expressed their concerns over all that has happened over the past few months and have offered my professional skills in listening to the pain and distress felt by many.

But pastoral care is not the sole responsibility of the clergy and we all need to have an eye on how we care for one another at this time. Over the years I have noticed that some churches can regress into "maintenance-only" mode when left without a parish priest just to "keep the show on the road."

All this, of course is essential, but visiting the sick; assisting those who would like to receive Holy Communion at home, or in nursing homes; meeting with families who have a child to be baptised; caring for people in distress or nurturing new Christians, is a role most of us can be a part of. It could be that you may need training to do this. Already we have been in touch with Church House, whose staff are willing to help us to ensure that such training can be done well and with safeguards and supervision in place. If you would like further

information please contact our Administrator via the 8 Saints website or office telephone number.

We need to continually demonstrate our love and care for one another and to the communities we serve. The mark of the very first Christians was "See how they love one another." If you know of anyone who needs help or a home visit then please pass details to one of our priests, pastoral visitors or to PCC members and churchwardens.

It is sometimes hard to attract clergy to the far South West, but an attraction is always a community which really cares for those around them. So, during this period of Transition let's focus beyond maintenance, towards our common ministry of love and care in Jesus' name.

God Bless you,

The Rev'd. John Eatock,
Pastoral Consultant.

Whatever your
funeral needs we
are here for you.

We understand that bereavement is a difficult time for any family and with this in mind we are available 24 hours a day, to offer our full and dedicated professional service.

If you're looking to plan a funeral at the moment then you've probably got a lot of questions running through your mind. We are here to answer them, call us on Truro (01872) 274021.

IN MEMORIAM

IN
HONOURED MEMORY
OF THOSE
WHO MADE THE
SUPREME SACRIFICE
IN THE
GREAT WAR
1914 - 1918.

Some 30 men of Chacewater lost their lives while serving in the armed forces during the First World War. Their graves lie in Africa, in Asia and across Europe. Many joined up locally or elsewhere in England. Others came back from Australia, from South Africa or North America.

"HE THAT LOSETH HIS LIFE FOR MY SAKE SHALL FIND IT."

Research uncovers some of the story behind the names of the fallen which are recorded on Chacewater War Memorial. While commemorating their individual sacrifice this also may help document part of our community's history.

IN MEMORIAM

Pte. George Arnold **POLLARD**. Devonshire Regt. (1st Btn).
Died 23 April 1917

George Arnold Pollard, was born in 1896, the only son of Mary Louisa and George Pollard. His grandfather, Zacharias Pollard, was a tin miner for many years and had died at Penstraze Moor one year before (on 30th November 1895). Zacharias is buried in St Paul's churchyard at Chacewater.

George grew up on Centreville Farm, Penstraze. His father was a member of Chacewater's Boscawen masonic Lodge until he died in 1909 aged 50. George spent his teenage years on the farm with his widowed mother and his older sister Evelyn. When he turned 18 shortly after the start of the War, George joined the Territorial force Royal Devon Yeomanry. Pte. George Pollard [45637] was transferred into the 1st Battalion of the Devonshire Regiment as the War continued.

This unit moved to the Somme in July 1915. When the offensive of 1st July 1916 started the Devons were behind the lines at **Arras**. They were

sent back to consolidate positions near **Longueval** where the regiment suffered substantial losses through German counter-attacks and continuing shellfire. With two advances in September they gained some ground near **Guillemont** village at a cost of another 376 casualties.

The Battalion was reinforced during the winter of 1916 as Pte. George Pollard celebrated his 20th birthday. In the spring they were deployed alongside the Canadian Divisions fighting to take **Vimy** ridge in April 1917. Severe losses incurred over a few weeks nearly destroyed the unit. Pte. George Pollard was killed in action on St George's Day, 23rd April 1917, during an attack on **La Coulotte** approaching **Lens**.

George Pollard has no known grave. His name is recorded on the Arras Memorial in France together with 35,000 others, including 288 soldiers of the Devonshire Regiment and 80 of the 1st Battalion killed on 23rd April. Pte. George Pollard is commemorated also on the War Memorials at Blackwater and at Chacewater village.

CHACEWATER W.I.

The Institute was formed in 1935 and we celebrate our 85th Anniversary in November. During the past few years our membership has sadly declined mainly due to the aging and passing of several members. At present we are only 12 members sadly not one from Chacewater. We would very much like to welcome new ladies from Chacewater and the surrounding area so ladies do give us a try. Your first two meetings will be free and you will be made very welcome.

We meet on the first Tuesday of each month at 7.15pm in the WI Hall Chacewater.

Hopefully our dreams of new members will become a reality so as we say "use it or lose it".

For more information please contact Anne Benson on 01872 271948 or anne.benson149@gmail.com

Twelveheads Methodist Church welcomes you to our

Midweek Service of Praise and Celebration

Wednesday 15th April, 2020 at 6pm

Preacher: Mrs Rachel Carbis

Organist: Mr Philip Davey

Worship Leader: Mr Adrian Mitchell

We were delighted to invite you to our Mid-week Service held once a month at Twelveheads Methodist Chapel. Our aim is to invite Ministers, Preachers and Musicians from around Truro to lead us in a spiritually uplifting midweek service of praise and celebration to the Glory of God.

Refreshments and fellowship

In the Sunday School Hall.

*“Come let us sing for joy to the Lord;
let us shout loud to the Rock of our salvation”.*

All are welcome

*For details contact - Pastor Adrian Mitchell

LOCAL GOVERNMENT NEWS

Dear Reader

Spring really is on its way with the daffodils in full flower albeit with very wet and soggy ground beneath them. One cannot but feel very sorry for the local farmers being unable to get their tilling done and working in such wet conditions. However, there is always hope and the seasons always seem to work themselves through.

The Langarth Development keeps rumbling on and there is much talk currently, being focused on a so called "Garden Village" but this is on a North facing slope. Despite some very decorative photographs (not from local photographers) and artists sketches it is confusing the mind of many of Cornwall Council Committee Members as the reality is very different, in my opinion.

The development planned to be constructed on the Western end of Truro is purported to be equivalent to the size of Redruth or Liskeard. Forgive me repeating myself, but how the A390 road from Sainsbury's roundabout to Chiverton roundabout will cope with all the extra traffic when it cannot cope with the volume of traffic today, confuses me and I worry about the impact on the Royal Cornwall Hospital at Treliske.

We really should congratulate Cormac for all the work that they are constantly doing to keep the potholes and manhole cover problems under control. It is almost soul destroying to find as they repair one hole another occurs, sometimes very quickly nearby. The ground conditions are so wet and soft it is so difficult for Cormac, but we are thankful for the remedies that they are taking.

The "Shute", some more good news, because it was Chacewater's main water supply until Truro Rural District Council brought "mains water" into the village in around 1955. The feature has a "Grade Two Listed" status and being an historic feature, the Historic Monuments department of Cornwall Council will help to restore it and make sure it continues to work as it has always done.

P.T.O.

This will be a big part of the financial support that is required to get it working in its former glory again.

Even more good news for Chacewater, the Projects Group and the Village Parish Parks Group have received a grant from the "Pockets Parks" scheme in the hope to be able create a community garden in the village. Our new local MP Cherlyn Mackrory has welcomed this funding and is looking forward to visiting the village to see this proposed feature. I am sure that the Projects and Parish Park group, will submit an article for "What's On "when they have more details

We live in very unusual times with the unknown quantity of Coronavirus, I urge you all to heed the advice regularly given by Public Health England and look after yourselves as well as those members of our community who are more vulnerable and need support. Keep safe.

Let us hope that we shall soon experience some warm, dry weather.

As usual, if you think that I can be of any help. Please do not hesitate to get in touch:

VILLAGE PONDWATCH

March 2020

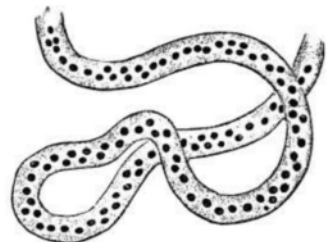

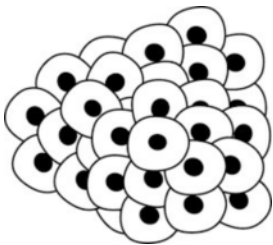

On Saturday 22 February, dozens of toads could be seen standing watch alone or grappling in groups all around the pond. Six frogs gathered by a floating raft of spawn with their pale throats smiling across the water. Nearby, strings of toad spawn were looped among the weed mats. Next day, the frogs guarded three large clusters of spawn while many toads continued to swim and drift or struggle through the weed.

By the end of the month, all of the frogs and toads were out of sight. Their spawn clusters drift untended except by a small newt that wriggles out of her nest to investigate and then snakes vigorously back down into the weed. Meanwhile, a Great Diving beetle rests near the surface before she too dives below, where another black and tan beetle scavenges along a submerged stalk. Underwater, a large dark snail grazes on a lily stem and reaches out with his foot to swing across towards another.

Rains have kept the pond brim-full. Marsh marigolds are in full flower by mid-March, with the bright yellow stars of lesser celandine also marking the banks. Adult newts line up in a sunny patch while others cruise among the forest of weed stalks or burrow into small caves in the leaf litter below. Toad tadpoles have grown about 1 cm long, still protected inside their jelly strings. The frog spawn clusters now float ghostly beneath the surface, like balloons slowly deflating after last month's party.

Paul Shevlin

MONDAY MORNING POP INS

Unfortunately, I have felt it appropriate to cancel the Monday Morning Popins until further notice, as I wouldn't wish to risk people picking up the coronavirus by attending the pop in and meeting together. I am sorry as I know that getting together once a month is good for us all socially and I will miss seeing you all. Once things settle down again they will be rearranged and I will get the word out through the What's On in Chacewater, posters in the shop and bakery and word of mouth. Many apologies but it seems the sensible thing to do.

Thanks for your understanding, support, encouragement and help and I look forward to seeing you again soon. Thanks too for coming along and seeing you all brightens my monthly Monday mornings.

Jill Hocking
