Decorating the Main Street with Christmas Trees etc. for the Festive Season

As always, we are looking for volunteers to help with this annual event. This year we hope to prepare as many trees as possible on Friday 30th November in the afternoon from about 2.00pm in the King's Head car park.

The more we can get done in advance the less time it takes to put them up on the morning of Saturday 1st December. Once again, we are looking for volunteers and meeting at the King's Head car park. This time from about 9.30am. So, if you are willing to climb ladders with a group of others please come along and lend a hand.

Having put them up they will need to be taken down again. This we anticipate being done on 5th January, and again, we are looking for volunteers and meeting at the King's Head car park. This time from about 9.30am. also. Once down, everything needs to be tidied up and stored away. So, even if you don't like ladders, you could still help.

Now, I'm not being discriminatory when I say we are looking for young, fit volunteers, but I suggest you ought to be younger and fitter than me. But that's not hard!! So please come along and help.

Brenda Bailey

Part Time Job Opportunity

Chacewater WI requires a reliable cleaner for one hour per week.

Christmas News from St. Paul's Church.

The service on Remembrance Sunday was well attended and the weather was perfect. Wreaths were laid by Councillor John Dyer, The Master of Boscawen Lodge, the Chairman of the Parish Council and churchwardens from St. Paul's Church. The Last Post was played before the two minutes silence and The Reveille signalled the end.

Our bugle player apologised for her rather tentative playing because she had fallen the day before on her chest. This made playing very painful for her so we thank her for attending. All the names on the War Memorial were read out by three members of St. Paul's and Chacewater Methodist Church.

Refreshments were served after the service.

Our Christmas celebrations begin with Advent soup lunches to be held on Monday 3rd, 10th and 17th from 12noon to 2.00pm. at 16 Kerley Vale. All are welcome.

The annual Nine Lessons and Carols by candlelight will be on Sunday 9th at 6pm. Again, everybody is welcome to join us and enjoy seasonal refreshments afterwards. The Follow the Donkey Crib Service will be on Christmas Eve afternoon

P.T.O.

meeting in the car park at 3.30pm for a 4pm. service at church. All costumes will be available for any children wishing to take part. The Christmas Eve evening mass will be at 9pm and there will be a service at 10am. on Christmas morning.

A very Merry Christmas to you from all at St. Paul's.

M. Lister.

CHACEWATER RIGHTS OF WAY (CROW) WALK

SUNDAY 4TH NOVEMBER 2018

The CRoW walking group just about cracked the weather again this month as we stepped out from the car park as usual on Sunday the 4th for a healthy morning walk, following a heavy overnight downpour that continued later in the afternoon. About 13 degrees and with hardly any wind to speak of, whilst everyone came prepared for the worst, the majority ended up carrying their foul weather clothing or tying it round the waist.

Where did we go then? Well, on this occasion we decided on a little bit of mountaineering (not literally!) as we wanted to discover a few things up along the steep sided valley that takes the walker up to what is referred to locally as the "Bissoe High Road". So off we went down towards Twelveheads for about half a mile before slipping off left beside Wheal Prosper Farm and up on Silver Public Footpath 301/70/1. A tough hill especially with mud on boots and leaf fall all around, the views here were quite breath taking though and so all was well worth it.

***A much needed breather taken half way up the hill
(Public Footpath 301/70/1) from Wheal Prosper, near
Rose Farm where the views across the valley below
are just wonderful.***

P.T.O.

Turning sharp right at the top as the pathway meets the road, we turned almost immediately right again to come straight back down again on the Silver Public Bridleway 301/71/1 which eventually brings you out just beside Willow Bridge Cottage, over the wooden bridge and out onto the Twelveheads Road once more. It was terrific to see the good works recently undertaken by Cormac's Environmental team along this particular bridleway which suffers hugely from erosion – however, the early signs are that more work will be required in this area in future months!

Cutting back towards Chacewater, we then took the first Public Footpath up on the left (Bronze 301/40/1) which eventually comes out near Wheal Harmony Cottage. Seeing that the Footpath sign had long since disappeared, thanks again to Cormac Environment, we were able to put another up – maintenance is key you know!

Time was moving on by this point, so a Team decision was taken to head straight back to Chacewater village, passed Rising Sun and down onto the Twelveheads Road once again and passing Little and Lower Chacewood as we went. All in all, another most pleasant walk in great company and great weather. All who keenly scaled the hillsides certainly deserved to wrap up warm and read a book or paper in front of the fire that afternoon!

The last CRoW walk of 2018 will leave the Square Car Park at **9.30am, Sunday 2nd December 2018**, so see you there – it's a really good way to build up to Christmas. Don't forget to look on line for the Chacewater element of the **cornwalltrails.net** website – just 3 of many!

A Christmas Message from Rev'd Richard Wallis

I love this time of year. There is a buzz in the air, an anticipation, excitement for the season that is to come. Shops are full to bursting with tinsel, fairy lights, the smells and sounds of Christmas. On the telly, adverts abound encouraging us to buy their produce, asking us to believe that only they can provide the perfect gift or that signature dish that amazes everyone. Others promote their meaning of the season, be it old men on the moon, boxer dogs on a trampoline or a snowman looking for his sweetheart.

It is also a time when people across our country, and around the world plan the annual pilgrimage home. No matter where they are, there is an instinctive desire to be at home, to be with family and friends. In those days before Christmas, journeys are made, cars loaded with gifts. At service stations, brightly coloured jumpers of elves, snowmen and of course Santa adorn those pilgrims. There is an intentionality in their actions, the journey costing much, in time, effort and money. People smile at strangers, being more patient and accepting of others, as it is the season of good will after all.

Each family has its own traditions. The buying of the bumper issue of the Radio Times, then marking the films and Christmas specials they want to watch. Some open their presents on Christmas Eve, most open them on Christmas morning, and those with better self-control wait until after the Queen's Speech. For our family we have a tradition of attending the late church service on Christmas Eve.

It is a wonderful event. The church looks stunning, glowing like gold in the candle light. With pews full, people singing, the sound of the carols makes me tingle. Then there is a sense of that presence. Something, a peace, a stillness, a sense of well-being. Some - and I am one - would say that is the presence of God. In that moment in that place we gather to give thanks for God's son, Jesus Christ. We recall that God chooses to dwell with us as our God. It is a special moment, a highlight of our Christmas.

This year as you plan your journeys, and recall those family traditions, consider adding that extra Christmassy feeling by take

part in the whole experience, and join with us on Christmas Eve. A time to give thanks for our friends and our families, for those who have made a special journey to be with us, and for those we have travelled great distances to be with. An opportunity to sit within the presence of God.

Whatever your plans, may the peace of God be with you, and all those you love this Christmas season.

Rev'd Richard Wallis is a Curate serving the Eight Saints Cluster of Churches which includes Carharrack, Chacewater, Devoran, Feock, Gwennap, Perran-ar-Worthal, St Day and Stithians. More information (including the times of those services) can be found at www.eightsaints.org.uk or follow us on facebook @EightSaints or Twitter @SaintsEight.

JENNY'S GARDEN PATCH ~ DECEMBER

December already, the year has really flown by. I hope you all had a successful year in your gardens. This is a good time to look back over the gardening year at the projects that succeeded and how to change those that didn't go quite to plan!

It is a good time also while the weather is not so good to plan ahead for the coming year, look through the seed catalogues or get out your gardening books for inspiration.

PLANT OF THE MONTH PRIMULAS

Primula derives from the Latin word for "early." Most primroses produce a ground-hugging rosette of greenery, and their rounded flowers have five petals each. Their leaves range from thick, smooth, and waxy to narrow, hairy, and toothed. Some species bear one flower per stem while others have dome-shaped or rounded clusters of flowers on each stem. The familiar wild, pale yellow, single primrose is one of the early signs of spring, coinciding with the first early daffodils. Cultivated varieties come in a huge range of colours, and both single and double flowers

DECEMBER IN THE GARDEN

- Protect plants and pots from frost by placing inside or wrapping in horticultural fleece
- Continue to tidy the borders removing dead foliage and debris and cutting back overgrown plants
- Treat paths for ice to avoid any nasty accidents.
- Feed the birds, break the ice on the birdbath if frozen.
- Don't add fertiliser or plant food at this time of year as it could promote early growth that would be affected by frost and freezing winds.

I would like to take this opportunity to wish you all a very Merry Christmas and a Happy New Year.

If you require any horticultural help please come along to Chacewater Garden Centre and meet the friendly and helpful staff.

Jenny Matthews

A Big, Big Thank You to the Bolingey Barbarians

Chacewater Projects would like to say a huge thank you for the generous donation from the Bolingey Barbarians Rugby Club of £1500.00 towards the inclusive roundabout that we hope to install in the Play Area.

This roundabout is intended to allow disable and able-bodied children to play together on equal terms and can even accommodate a wheelchair. We have been saving for some time and there is still some way to go.

Thank you so much to Bolingey for your support of children's charities in Cornwall over the years since your formation in 1993.

Kernow Microscopical Society

The next meeting of the Kernow Microscopical Society will be on Saturday 8th December at 1.30 for 2.00pm. This will be our AGM, Xmas Social and bring-and-buy sale.

At the meeting, in October, we explored the use of multiple, through focus series photomicrography and the reconstruction techniques of the Z focus series.

Our meetings focus on the practical aspects of microscopy; we try to have workshops, using microscopes and exploring methods of preparing specimen slides to view. Our members include professional microscopists who can assist with queries on instruments and microscopical techniques.

If you are interested, do come along. You don't need to have a microscope.

We are currently actively searching for new members and would be very happy to welcome you. We look forward to welcoming you to our meetings. Tea and biscuits are available too!

Keep in touch with our events diary at <http://kernowmicroscopy.webplus.net> to see our activities for next year.

CANCER SUPPORT**

A Christmas message from Adrian Mitchell

Pastor of Chacewater Methodist Church.

Do you know what? I was thinking the other day; mince pies are! I had been given some mince pie sat munching away on one, I thought to myself what I had been given.

It is great to give and receive gifts isn't it? And I guess this is 'the season' for gifts, very soon many more will be exchanged and opened with smiles, laughter and great joy. This is the 'reason for the season' as 2000 years ago another gift was given in great joy...

The angel said to them, "Don't be afraid! I am here with good news for you, which will bring great joy to all the people. This very day in David's town your saviour was born—Christ the Lord!" Luke 2:10-11.

This Christmas, if things in your life are going a bit wonky or if you find yourself feeling lonely or if you're noticing more and more that something is really missing from your Christmas; why not open up God's gift; and receive Jesus; the light and hope of the world. There is no finer gift to receive because with Jesus in your life, a new purposeful and positive direction is possible and then you may just find that your life begins to receive the peace of God.

*What can I give him, poor as I am?
If I were a shepherd I would bring a lamb;
If I were a wise man I would do my part;
Yet what I can, I give him – give my heart.
(In the bleak midwinter).*

I wonder if I could have two mince pies? Is that allowed? After all it is Christmas! Perhaps I'll try just one more and as I do; may I take this opportunity, along with everyone at the three valley Methodist Churches, to wish you and your family a very Happy Christmas, a prosperous New Year, and may the blessing of God be with you now and always.

Adrian is the Lay Pastor for Chacewater, Twelveheads and Hicks Mill Methodist churches and a Local Preacher in the Truro Methodist Church Circuit.

CHACEWATER PARISH NEIGHBOURHOOD DEVELOPMENT PLAN **MONTHLY UPDATE**

More significant milestones were reached in the world of Neighbourhood Development Planning last month which enabled us to continue along our chosen pathway. The pre-submission consultation period - launched on Saturday the 15th September to coincide with the Renewable Energy Day in view of likely number of attendees - was a huge success. There then followed a series of public engagement events at numerous venues across the Parish, including: Primary School assembly, the Bowling Club, Bon Appetit and Sunday School at Twelveheads, Blackwater Village Hall, Chacewater Garden Centre, the monthly coffee morning and the Old Market. Quick Guides were handed to anyone who wanted one and most events were sustained with Cornish Cream Teas. We also set up a Comments Table in the Village Hall. In all, about 500 people were either briefed or passed by our consultation stances or read the literature presented, which was a real positive.

Bon Appetit, Twelveheads

The Old Market

Blackwater Village Hall

In parallel with this activity, the NDP Team emailed or wrote to about 50 statutory outside bodies (e.g. Cornwall Wildlife Trust (CWT), D&C Police, First Group, Historic England, etc.) some of whom provided useful comments in response,

P.T.O.

which we are now collating for inserting into the Plan itself.

Once this task is complete, all that remains is for the Team to:

- Proof read the Master document.
- Work up a Parish Design Guide for the area.
- Collate the evidence base for submission by 16th November.

The submission itself will actually include a huge amount of work because we also have to submit both a comprehensive Consultation Statement and even more detailed Basic Conditions Statement. Both documents provide proof to a “selected” external examiner that we have done our job and can move towards our NDP Referendum date, which – fingers crossed – will be the end of Mach 2019!

Assuming we achieve all the deadlines required, I think it only right to acknowledge the hugely commitment made by some extremely committed volunteers from across the Parish. THANK YOU!

A document “For the Community by the Community”, the aim has always been to protect our special place from overdevelopment so let’s hope we can achieve that objective.

f you wish to know more about your Neighbourhood Development Plan, then please go to the village website or contact: Rob Knill on 01872 561364, 07816 773218 or gillian_knill@hotmail.com

VILLAGE PONDWATCH NOVEMBER 2018

Beside the pond a slender, sheltered willow has escaped an early frost; but the leaves of hawthorn, elm and aspen trees are yellow, while the ash and sycamore have lost theirs. Two blackbirds jostle for position among the bare branches and a lone Jay makes his way up to the highest bough.

Below, the pond lies very quiet, in Cornish colours, velvet black and splashed with golden discs of fallen leaf. The dark waters are quite clear and a thick layer of leaf litter covers the bottom. Underneath, a water beetle scuttles through a patch of weeds and two newts reveal greasy grey sides as they rapidly weave their way downwards.

Small insects dance in the sunlit air and sometimes touch the surface - where a curled, dry leaf is blown across by a sudden gust of wind. All the trees are naked now (except for trunks wrapped tight in ivy green) and bramble leaves are spotted black and yellowing. Winter is coming.

Paul Shevlin

Thanks from Chacewater and District Cancer Research UK Fundraising Committee

The Chacewater and District Cancer Research UK Fundraising Committee would like to say a huge thank you to everyone who came along to the 'Stand up to Cancer' charity bingo evening at Chacewater Bowling Club on Wednesday 14 November.

A great night was had by all those who came along, and the evening raised a fabulous £205 which will go directly to help fund Cancer Research UK's lifesaving work, including over 50 clinical trials with local patients, at the Royal Cornwall Hospital, Triliske.

Particular thanks go to Jenny and David Prime, Dave Lawrence and Pam for their help on the night and everyone at the bowling club for their support.

Thanks also to everyone who supported us with the donation of raffle and bingo prizes, including:

Tony Murley - The Old Market
Lesley Thomas - Slimming World
Our Plaice Fish and Chips
Inkfish Hair and Beauty, Truro
Newton's Garden Maintenance, Tresillian

Thank you one and all, your support is hugely appreciated.

Many thanks,

Helen Newton

Local Government News

Dear Reader

Firstly, what an amazing Bonfire Night we had on Guy Fawkes Night. The weather was not good over the weekend when several other local events had to be cancelled, but on the 5th November the weather was mild and dry and evening such a success. The fireworks, many have said were the best display that we have had in Chacewater and we must particularly congratulate all those who set them up, let them off safely, built the bonfire, served food, manned the gate and generally organized the event. It was fantastic display and enjoyed by all who spectated, as always, many organizations pulled together to make it a great event.

Sometimes I write this article in stages and am now writing this on the day after Remembrance Sunday which fell on Armistice Day. No one could have failed to notice what a special commemoration this year has been, as all events and the media have concentrated on the horrors of the First World War and how the armistice was called on the eleventh hour of the eleventh day of the eleventh month of 1918, a hundred years ago. The peace that was hoped would end all wars, but as we know that was not the case. Chacewater did, as it has done for many years, held a moving service jointly with the Methodist Church at St Paul's Church. At the War Memorial the names of citizens of Chacewater who lost their lives in the wars were read out. It was privilege to lay a wreath on behalf of Cornwall Council along-side Mr. Martin Stephens, Chairman, on behalf of the Parish Council, followed by different organizations, it was a very sincere Remembrance Service.

Cornwall Council Cabinet is still involved in setting the budget which means how much it will charge you and me – ratepayers by increasing our rates next year. As a Council we have a duty to maintain what are known as essential services or often referred to as “fixed costs” and these must be set by the February 2019 in order to be implemented on 1st April 2019. We will need to wait and see what their proposals are.

P.T.O.

Cornwall also owns and lets out farms of various sizes across the county, and last week as I write three of us on two following days let two very different farms, one known as a “starter farm” of 47 acres and the other one of 300 acres, both of which we let for twenty years. This work I find very interesting as my lifetime has been spent in agriculture.

Locally, one still chases potholes and with the torrential rain that we have recently experienced, drains blocked with fallen leaves. With our steep hills, water flows quickly and the leaves block drains, but I find Cormac are responsive and act effectively to enable our roads to be kept open.

All I have to do to bring this article to a conclusion is to wish every Reader a very happy Christmas and in anticipation thank everyone involved in making the celebrations in the village bright and cheerful.

if I can be of any help or support to you, please contact me.

Paul and Charlotte Bearham

Chacewater Football Club

Having started the season with four home games, we are now into a run of only one home match in eleven matches! This has not been helped by being drawn away in three cup competitions and then, having won at Newlyn in the Cornwall Junior Cup, we were drawn away again in the next round. At least the Recreation Ground gets a rest whilst we all had a period of torrential rain and very strong winds and, as we play home and away in the league, we will have some home matches to look forward to after Christmas.

As regards the results, in the league we won 2-0 at Madron, both goals coming from James Martin and lost 3-2 at Hayle 3rds where Darren Bennetts and Stuart Rowe were on target. The other two games involved cup ties, we lost 6-0 in the Cornwall Junior Cup at Helston 3rds, who play four leagues higher than ourselves and 3-0 at Ruan Minor, who are two leagues higher, in the Percy Stephens Cup.

Thank you to all who turned out to support the club's prize bingo evening held recently at the Village Hall. This was very successful and we are hoping to hold another early in the New Year.

Forthcoming fixtures

Sat. 1 st Dec.	Falmouth Utd. (Jubilee Cup)	Away	2pm
Sat. 8 th Dec.	Threemilestone	Away	2.30pm
Sat. 15 th Dec.	Marazion	Away	2.30pm
Sat. 22 nd Dec.	Goonhavern	Away	2.30pm
Sat. 29 th Dec.	New Inn Titans	Away	2.30pm
Sat. 5 th Jan.	Probus	Home	2.30pm

A merry Christmas and a safe and prosperous New Year to one and all.

Nigel Jewell

Monday Morning Meet

We invite you to pop in and join us for a free cuppa and a warm welcome at our next Monday Morning Meet on Monday 10th December between 10.15 - 11.45 in the WI building in the free car park.

Anyone is welcome to come, all ages, men and woman and whether you prefer tea/coffee or hot chocolate! Drop by and have a chat, we look forward to seeing you there :-)

Thanks extended to my lovely helpers Jenny, Dave and Kath for making this possible and the many people who come and support this in various valuable ways.

Help Keep our Steets Clean & Litter Free

Dear Residents,

Chacewater Parish Council are offering you the opportunity to get a seagull proof rubbish sack for FREE.

The seagull proof bags hold around three black sacks of rubbish. They have a secure Velcro fastening, a tie at the back and a weighted base to stop them blowing away after collection. These bags will hopefully deter birds, cats, foxes etc from ripping open the rubbish sacks and covering our village in detritus on a Thursday after the bin collections have been.

If you are interested in one of these sacks then please contact our Clerk who will be happy to provide one for you. Contact details are on page 46

Many Thanks

Chacewater Parish Council.

December – Creegbrrowse in the snow with the evening sun giving it a curious pink glow

Recreation Ground Recovery **Bulb Planting And Volunteers Recognised**

A selection of Chacewater Parish community volunteers were recognised for their efforts to regenerate the western end of the Recreation Ground at an enjoyable evening at Heartlands on Thursday 25th October.

Those pictured receiving their certificate from Sue James (Cornwall Council's Portfolio Holder for Environment) in the category of 'Colourful Community, Transforming Spaces, Team Effort and Tooltrailer Teams' are just some of the many members of the community who give up their time to improve our Public Realm, Green and Open spaces.

The What's On readership may recall that work to improve this space started during a baking hot mid-July that saw members of Highways England lend "several hands" to get rid of years of unwanted growth. Locals with other skills also made a table and seats out of old pallets and we re-discovered the old sand pit that has since been turned into a bed for hardy shrubs. The ivy that was growing uncontrollably and strangling many of the trees was

P.T.O.

also removed - so much so in fact that if a young child were to listen very carefully, they might just be able to hear one or two of the trees breathing a little more easily!

The last month or so has seen further efforts to dig out hundreds of bramble roots and seed much of the area with what is known as "shade grass". On Friday the 2nd November the children from our Community Primary School also donned wellies and jackets to plant daffodil bulbs around significant stretches of the Recreation Ground boundary - so fingers firmly crossed that these will flower in Spring and create a wave of yellow, white and green.

At the Cornwall Community Celebration Awards evening on the 25th October, the Chacewater team were recognised as a "very active group who undertake a number of environmental projects including planting, improving neglected green spaces and leaf clearing. They also possess the art of turning pallets into beautiful tables and chairs".

A fitting tribute and a **HUGE THANKS** to all involved.

St Paul's Church 50/50

The 50/50 winners for November are:

1st: No. 22 Louise Green; 2nd: No. 4 Brian Canning;
3rd: No. 31 Brenda Bailey.

Many thanks and best wishes,
Terry

St Paul's Church, Chacewater

Chacewater Annual Children's Christmas Party

This year the party will be held on **Saturday 8th December 2-4.30pm** in Chacewater Village Hall. We have entertainment by **The Funky Thing Disco** and a visit from **Father Christmas** who will be in his grotto again with a gift for every child.

Admission will be £3 per child. All children who attend Chacewater Primary School, Stepping Stones Pre-school, Chacewater Mother and Toddler Group or simply live within the parish of Chacewater are invited. Children must be 11 years of age or under. Siblings are also welcome. Children under 5 years must be accompanied by a responsible adult.

Forms are available from Chacewater Primary School or Stepping Stones Pre-school and need to be returned by Tuesday 4th December.
