2018 Covers

The theme for the covers this year is “Unusual photos of the Parish of Chacewater”. Thanks to Rob Knill, Richard Simmonds & Robin Hunter for supplying them. The location for each photo can be found ‘somewhere’ in each edition. See if you can identify the place and then search for the answer inside.

Long Service Award

Chacewater Football Club Secretary, Nigel Jewell, received his long service award from Trelawny League Chairman, Gerald Munden, at the League AGM.

Nigel has been involved in football since making his debut for Goonhavern FC at the age of 14, back in 1965, moving on to play for NALGO FC (the now defunct Cornwall County Council team when he started working there), Threemilestone FC and Chacewater FC where he has been since 1982.

In June 1983, Nigel became Secretary of the club and has stayed in that role ever since. He has become voluntary groundsman at the Recreation Ground in Chacewater, which is a public facility, over the past few years on behalf of both the club and the Parish Council and also does a number of other jobs for the club "behind the scenes" which a grassroots club like Chacewater needs doing.

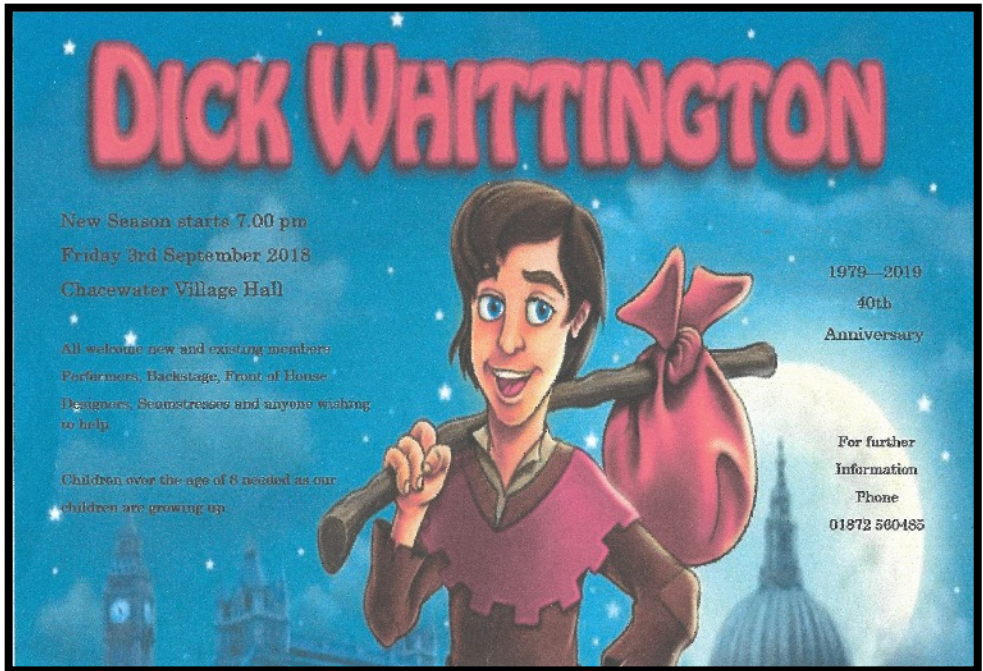

In addition, Nigel has been an active football referee since 1996.

Nigel also received a personal letter from Greg Clarke, Leader of the FA Council, a gold medal, a pin badge and an inscribed glass plaque.

Nigel joins two other long serving stalwarts of the Chacewater Football Club, Ken Moyle and Don Smith, in receiving this award.

Chacewater Players

40th Anniversary Season

Dick Whittington

We are looking for new cast members of all ages (Oh! Yes we are!). We would like to encourage boys and girls aged 8 and over; Teenager boys & girls; and adults interested in being either in the chorus or taking parts.

Rehearsals are (mostly) on Monday evenings with performances at the end of January. We would like to invite anyone interested (parents and children) to the first meeting to hear information and the read-through on Monday 3rd September at 7.00.pm in Chacewater Village Hall.

We hope to see all interested in being on stage or helping in some other way then. But don't be put off if you haven't made it on that

day. Phone for information on 01872 560485 or 07493 465872. Or just turn up on auditions night on 10th September.

Auditions will be the following week at 6.30pm for children and 7.30pm for teens and adults.

See you soon.

YOUR NEIGHBOURHOOD DEVELOPMENT PLAN (NDP) **MONTHLY UPDATE**

By the time this article goes to press, we will hopefully have received feedback from Cornwall Council on our First Cut Draft of the Neighbourhood Development Plan (NDP) as well as confirmation on whether we need to undertake a Strategic Environmental Assessment (SEA) – we hope not incidentally!

If the timing then goes according to plan, between the 26th August and 14th September, the NDP Team will make the required amendments to the Master document, refine a few associated submissions and prepare for a **6-week period of Public Consultation**.

Again, if all things go to plan, **the start of the 6-week Neighbourhood Development Plan Public Consultation period will coincide and merge in with our much anticipated Chacewater Energy Day, which takes place in and around the Village Hall from 2.00 to 5.00pm on Saturday 15th September.**

Follow us on Facebook to hear about all our news and promotions.

Chacewater Football Club

Our superb pre-season is now over with wins against Perranwell Res., Grampound, West Cornwall Res., Constantine Res., and draws against Newlyn Lions, St. Agnes 3rds and Frogpool-Cusgarne Res.

Grateful thanks to Kevin Bennetts who has done a sterling job in officiating our home matches.

Our first league match back in the fold against Hayle 3rds ended in a 5-0 win for the Green Army thanks to goals from Sean Preston (2), James Martin (2) and Josh Symons. Stronger tests to come!

A big vote of thanks to Chris Coombes for once again auditing the club accounts and to Gary Hawkey for helping other club officials with painting around the pavilion. Thanks also to Darren Bennetts and firm 'Absolute Flooring' for arranging for new polo shirts for the team and Gavin Bennetts for arranging for new warm up t-shirts.

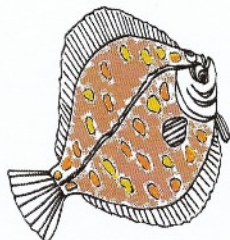

Forthcoming fixtures:

Tue. 28 th Aug.	Threemilestone Res.	Home	6.15pm
Sat. 1 st Sept.	Falmouth Utd.	Away	2.30pm
Sat. 8 th Sept.	Lizard Argyle Res.	Home	2.30pm
Sat. 15 th Sept.	Tregony	Away	2.30pm
Sat. 22 nd Sept.	Newlyn Lions Cornwall Junior Cup	Away	2.00pm
Sat. 29 th Sept.	Marazion	Home	2.30pm

Great support from the village for our games. Thank you.

Our Plaice Fish & Chips

Kernow Microscopical Society

The next meeting of the Kernow Microscopical Society will be on Saturday September 15th in the Killifreth room at Chacewater village hall at 1.30pm. Under the microscope. we shall be exploring bees and in particular their legs!

If you are interested, do come along. You don't need to have a microscope. Our meetings focus on the practical aspects of microscopy; we try to have workshops, using microscopes and exploring methods of preparing specimen slides to view. Our members include professional microscopists who can assist with queries on instruments and microscopical techniques.

In July, various members presented a topic of their choosing. We saw some interesting pollens; a pine pollen which was germinated on wet blotting paper and pollen from a 12ft flower spike of fucrea (giant agave look-alike). We were shown an antique double-bladed scalpel for cutting slices and some very interesting Victorian slides from the collection of a Penzance doctor who studied algae. There were also slides of the seabed from soundings taken during the laying of the first transatlantic cable in 1855 and slides from soundings from the Red Sea for the cable joining Britain to India and Australia.

We are currently actively searching for new members and would be very happy to welcome you.

Have a look at our 2018 events diary at <http://kernowmicroscopy.webplus.net> to see our meetings for the rest of the year. You can also email us at kernowmicroscopy@webplus.net.

We look forward to welcoming more of you to our meetings. Tea and biscuits are available too!

Pat Woodward
Publicity Officer

Chacewater and District Horticultural and Fanciers Society

With September just around the corner it's time once again for the village institution that is Chacewater Show!!

Started back in the 1950s when the world & the village were very different. Our 65th show this year will once again be held in Chacewater School & the Village hall.

Entering is both fun and simple, with classes for Pigeons & Poultry, Garden produce, Photography, Cookery, All sorts of crafts & plenty for the children too.

Chacewater School enter a wonderful array of artwork & handwriting & with over 300 open classes there really is something for everyone.

Closing date for entries this year is Monday 17th September entries can be posted, phoned or emailed to the sectional secretaries, details are in the schedule.

Schedules are available on line on the parish website or from Mrs Julie Oats 01872 279628 or julieoats@msn.com

You don't have to enter you can just come along look at others hard work, meet friends both old and new & enjoy some refreshments & a chat.

For information or enquiries call 01872 560079 or email chacewatershow@mail.com

STATION ROAD CLEAN UP - MANY THANKS!

A huge thanks to Jenny, Jill, David, Paul and Ian from the Station Road area for all their work over the weekend of the 20th to 22nd July that saw them cut back the build-up of foliage and clear around the drains along the roadside verge, just beyond the 40mph sign.

A great effort one and all, this has made a huge difference to the area and will hopefully prevent rain waters from passing over the drains in future.

Resignation

It is with regret that the Parish Council had to accept the resignation of Jim Holford on Friday evening.

Jim has been a very active member of the Chacewater Parish Council since coming to the village, always ready to volunteer or even help out with his tractor if appropriate. He will certainly be missed by his fellow councillors. I for one will miss his contributions and counsel during debates.

We all wish him well in his future endeavours and extend to him our grateful thanks for all that he has done.

This now leaves the Council with three vacant seats and we would be delighted to hear from anyone who would like to consider joining us, come a long and sit in at one of our meetings and get a feel of what it is all about.

Martin Stephens
Chairman Chacewater Parish Council

CHACEWATER PARISH COUNCIL

Registered Charity No. 289081

Western End of Recreation Ground Regenerated for Community Use

Following a good deal of planning and a few days of hard graft - primarily on the 18th and 19th July - a long awaited project to clear up

and regenerate the western end of the Recreation Ground has been given a much-needed boost and will soon become an area for everyone to enjoy. In broad order, the plan was to:

The western end of the Recreation Ground had suffered from an overgrowth of unwanted foliage down the years and needed to be cleared

- Remove and dispose of the dense bramble,

ivy and any other unwanted growth that had basically smothered the area down the years.

- Rediscover the old sand pit and turn it into a bed of low maintenance shrubs.
- Redefine the area behind the football goalmouth netting to enable the copper beech saplings to grow unhindered.
- Introduce some simple but robust seating to the area so that members of the community can sit and either watch the football, take a picnic or just admire the surrounding landscape.

Day One - Dressed and ready to go!

One of the many “spin-off” projects identified through the Neighbourhood Development Plan (NDP) – which in this instance sought to enhance a public green space for community use – none of this would have been achieved without the exceptional efforts of some key individuals from within and outside our community, who need to be thanked:

P.T.O.

- Firstly, Jim Holford (who has sadly since moved away from the village) started us off by flailing the area, which cut the job in half from the get go!

With a bit of heavy machinery at times!

- Then there was Danny Konik from the Cormac Solutions Ltd, who provided the Community Tool Trolley and helped dispose of a great deal of green waste.
- Nigel Jewel, Brian Charles and Nathan Carter from the football club cleared a large area between the pavilion and store before Simon Blake got in there and broke down wood into more manageable sizes for household use.
- Tony Reynolds provided a great deal of the practical sense, industry and light machinery to clear significant swathes of growth down to root level.
- Neal and Duncan from Chacewater Garden Centre offered us some top soil for the sand pit and the pallets that Paul Shevlin and Steve Leech then transformed into a robust table, some benches and further compost bins – they did much more.

- Angie Beckham provided a mini tiller machine to dig up the compacted clay in the sand pit and (with the help from Gill Knill) continued the weeding effort.

The new plantation in the old sand pit

Clearing the overgrown area gives it a chance to breathe

Paul Shevlin and Steve Leech get to grips with transforming pallets into benches.

...and look at the end result!

Lastly, we received some outstanding help from another most unlikely volunteer source; a dozen or so members of the Highways England (HE) team responsible for delivering the future A30 dual carriageway works between the roundabouts from Carland Cross to Chiverton Cross; which will do so much to improve our transport connectivity in the years ahead. Drawn from offices as far as Wales, Exeter and Bristol, senior management and staff came down, quite literally mucked in and experienced a bit of life in our area. Sustained by the odd pasty from the Bakery, P.T.O.

their vigour and commitment over 2 days in the baking sun, alongside the local team, had to be seen to be believed. Equally important, friendships were forged that will hopefully be longstanding and hopefully see members of the HE team re-visit a site that has been so transformed by their efforts.

So, what is planned for this area of the Rec now? Well, now we have cleared the area, made good and planted a few shrubs to make the old sand pit - the main feature - we need to keep on top of the weed growth until the await the autumn period in particular. At that point, we will sow what is known as “shade” grass seed along the banks and under the trees, with a view to encouraging its use as a relaxing recreation space.

What can you, the Community do to help? Well, it’s all rather simple really. Sit and enjoy this facility but occasionally consider bringing a pair of gardening gloves and secateurs to keep the ivy and brambles at bay – the compost bins are pretty close by, so you would not need to dispose of anything yourself.

An exhausted team take a well-earned rest at the end of Day 2.

Photos were taken of before and after but not included here. So why not take a stroll to that area to admire the difference for yourself and give thanks to the hard work done by all these volunteers.

JENNY'S GARDEN PATCH ~ SEPTEMBER

Another month has flown by and Autumn is just around the corner. Hopefully your gardens are still looking good and the food crops are coming in thick and fast. September is a busy month with plenty of jobs that need doing, gathering in your crops, tidying up and new plantings

PLANT OF THE MONTH

DAFFODIL

Daffodil, also known as narcissus and jonquil, is a type of flowering plant that belongs to the Amaryllis family. Grown in masses they are a delightful sight, and with colours ranging from white and yellow through to pink, there's a daffodil for every garden. Daffodils are normally available from mid August onward, and are best planted at that time, but planting can be extended right through to end of October. Even if planted in November, they will not disappoint in the following spring.

The most important thing when planting daffodils is to plant them at the correct depth. As a basic guide the depth wanted to be 3 times the length of the bulb e.g. if the bulb is 2 inches, they should be planted at a depth of 6 inches. However, it is better to err on the side of planting more deeply. Planting them more deeply makes it less likely they will dry out.

SEPTEMBER IN THE GARDEN

- Buy or make a compost bin to take autumn debris.
- Plant new perennials.
- Remove spent summer annuals and replace with spring bedding such as wallflowers and forget-me-nots.
- Plant spring-flowering bulbs in beds, borders, pots and grass.
- Plant prepared bulbs for indoor flowering around Christmas
- Sow hardy annuals, such as marigolds, centaurea and California poppies.
- Begin moving tender plants into sheltered positions or into the greenhouse or conservatory.
- Carry out autumn lawn maintenance, including aerating, scarifying, top dressing and feeding. Reseed bare patches, and create new lawn from seed.
- Plant garlic, winter lettuce, turnips, spring cabbages and autumn onion sets in the vegetable garden.
- Prune climbing roses when they've finished flowering, removing dead, damaged and diseased stems.
- Lift and divide congested clumps of herbaceous perennials..
- Cut back the canes on summer-fruiting raspberries

Have a great month in your gardens, we might even be lucky and have an Indian Summer. If you would like any further information come along to Chacewater Garden Centre and have a chat with any of the helpful and friendly staff.

Jenny Matthews (Manageress)

VILLAGE PONDWATCH – AUGUST 2018

The water is still too murky to see much below the surface. Since June, grass snakes have stirred-up sediment while hunting the pond bottom. Early in August a medium-sized grass snake (70 – 80cm) swam out of the shadows and paused to bask in the morning sunlight. Ten minutes later, he

swam across to the south shore showing signs of a successful hunt. One third down from head to tail, the body bulged to twice its usual girth for some 10–15 cm as it floated in sunshine with his head resting on a raft of weed.

A great silver diving beetle broke the surface, its shiny black back the size of a brazil nut, stirring and shaking the water lily leaves. Water boatmen also continually ripple the surface. As the water clears a little after rainfall, one or two slender water stick insects emerge with beady eyes looking for prey.

Yellow fringed water lilies bloom abundantly across the pond. On the bankside the flowers of purple loosestrife and common knapweed also attract a steady stream of carder and red-tailed bumble bees, beetles and hoverflies. Heavy crops of blackberries are swelling and wasps feed on over-ripe fruit. Honey bees, a small copper and blue butterflies frequent yellow heads of ragwort.

Different habitats across the Millennium Green give food and shelter to a great variety of wildlife including at least a dozen species of butterfly. When the wind blows, many dragonflies and damselflies take refuge in long grass or up in the trees. On warm

and quieter days they return to the pond. Red darters hold stations around the edge and fiercely guard their territory. An Emperor dragonfly brushes them aside to hunt and large southern hawkers lay eggs among the reeds.

Roseland House, Chacewater

On Saturday 15th September the Garden and National collection of *Lapageria rosea*, held here at Roseland House, Chacewater, will be open free of charge between 1pm and 5pm

Lapageria rosea is the National flower of Chile and was introduced to Cornwall (and the rest of the UK) by William Lobb in 1848.

William Lobb was the gardener at Scorrier House before he was hired by the Veitch Nursery based in Exeter and tasked with collecting various plants which included both *Lapageria* and Monkey Puzzle trees.

He boarded HM Packet *Seagull*, which was to set sail from Falmouth on 7 November 1840 bound for Brazil, it seems extraordinary that he then walked across South America to get to Chile

His brother Thomas was also a Plant collector for the Veitch Nursery, between the two of them many of our garden plants were because of their collections.

on Thursday 13th September

News from St. Paul's Church

We will be holding an Art and Craft Exhibition on Friday 14th and Saturday 15th September opening from 10.30am through till 4.30pm. Hopefully this will be full of exciting new exhibits ranging from textiles and pottery to quilting, glass painting, weaving, oil, acrylic and watercolour paintings, plenty to see and purchase. The children of Chacewater School will also have some of their work on display.

During the whole day there will be refreshments including morning coffee with home- made cakes and biscuits, light lunches with soup, rolls, sandwiches, sausage rolls and quiche, and afternoon cream teas. Please come and support our church and enjoy the art produced by local artists and some from further afield.

On Sunday 16th there will be the annual Greyhound Blessing at 2pm. Anyone with a greyhound is very welcome at this short service, all the dogs are blessed and then they leave for a walk followed by a cream tea.

We will be holding a 'Last Night of the Proms' on Saturday 29th September at 7pm. There will be a concert led by the local 'InTune' Choir with Amy Sapwell as the M.D. and the Handbell Ringers from St. Piran's. Perran-ar-Worthal.

All the familiar music will follow led on the organ by John Sheppard. He will begin with 'Nimrod', followed by Dvorak's 9th better known as 'Goin' Home', some Sea Shanties, Pomp and Circumstance, Jerusalem, I vow to Thee my Country and Rule Britannia. Flags will be provided at the door and everybody will be able to enjoy a really good sing! The programme will end with Trelawney, God save the Queen and Auld Lang Syne.

There will be refreshments during the interval and admission will be £5. This will go towards church funds.

We look forward to welcoming you all for a real musical treat.

On Sunday 30th we will be holding our Harvest Festival service when we will be joined by the Methodists. Everybody will be very welcome and the service will be followed by refreshments.

Best wishes,

M. Lister

Local Government News. Chacewater

Dear Reader

I suppose that although the work of the Council goes on, August is a time when we all think of holidays and the weather until recently has been brilliant for people to enjoy our wonderful Cornish landscape and beaches as well as all the outdoor activities that it offers. However, for farmers, the shortage of grass has become a very serious issue for the production of milk and also in this part of the county “green vegetables” e.g. cabbage, cauliflowers etc so for the approaching winter these items are bound to become more expensive. Overall it is a good job that we cannot control the weather because no one of us would in the end be happy.

Back to Council business in Chacewater. There has been, (I am very glad to say “has been”) electricity problems at the Brookside Flats, both internally and externally with lighting which is both of vision and security not been good. I am glad to day that there issues have now been resolved. Cornwall Council have also agreed that in the future these flats will be offered to people of over 55 years of age, so if any Chacewater person knows of a suitable applicant of that age who requires a home, please get in touch with me (details at the end of this article).

The Local Neighbourhood plan team are forging ahead with a local future plan for Chacewater, so please be prepared to give time and support these ideas, as it gives every resident the opportunity to have a say and part in planning what Chacewater should be like in the longer term.

There are several planning applications in Chacewater at the moment and two enforcement issues that I am dealing with.

To end on a seasonal item, I think any Harvest Festival Service should have a few sheaves of wheat to help decorate a country Church and to that end it gave me pleasure to be able to stop Beatrice’s nephew as he was driving his combine harvester and

bind up some sheaves and have delivered them ready for the Parish Church to truly sing "Bring in the sheaves".

As Recommended by: The Kings Head Inn, Chacewater

Time to retire!

After 40 years of continuous fundraising, raising tens of thousands of pounds, for many projects it's finally time to call it a day. Age (79) and health have caught up with me and on behalf of all my supporters can I personally thank all the Companies, local and national, Businesses, Trusts, Councils, Grant authorities that have over many years given me and my committees the funding and support to carry on, the committee members including myself and secretaries were all voluntary and every penny raised went direct to the project worked on at that particular time. I can't thank them enough for all their support and input.

Groups and local organisations helped include Age concern, Shelter box, RNIB, Animal hospital, Mini bus appeal, Children's Hospice S.W., Churches, Chapels, Play Groups, School's clubs. Bands, Choirs, and several individual personal appeals, it gives me great pleasure, seeing the many groups, charities still carrying on today with their good work. ^

To finalise by the end of this financial year 2018 I would like to complete one or two outstanding projects so any help for one final time with either a donation, made out to 'Four Lanes Projects', gift cards, vouchers, tickets, everything, as in the past, will be acknowledged.

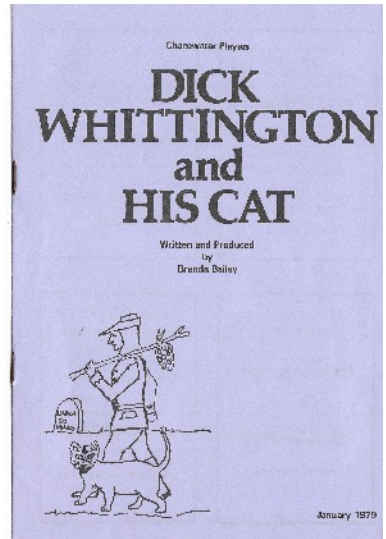

Mr. Tommy Bray
Four Lanes

And Finally

A reminder that Chacewater Players will be celebrating it's 40th anniversary season of pantomime. Some original members are still with us. Some of the children in the chorus have children of their own that are now members. A copy of the original programme with cast and backstage is copied opposite.

We would like to see members old and new helping us the celebrate so see the events list and articles elsewhere.
